

## MLA Citation Style for Articles from Magazines

The citations of a **Works Cited** page should be double-spaced with *hanging indents*. (The first line of each citation is at the left margin. All subsequent lines are indented one-half inch from the left margin.) To create hanging indents, consult the Help feature of your word processing program. The Tab key may also be used. In most word processing programs, it is pre-set to indent the required one-half inch.
